

NATIONAL
RADON ACTION
MONTH

The Environmental Protection Agency (EPA) has designated January 2018 as "National Radon Action Month"

Newdan Engineering, LLC will be offering radon testing during "National Radon Action Month" for \$ 90.00

ADDITIONAL INFORMATION :

The testing will be performed by replicate charcoal canisters

The testing is for properties located within Erie County, N.Y. and/or within 15 miles driving distance of our Williamsville, New York office as defined by "www.google.com/maps"

The fee for the radon testing is to be paid by cash or check. An additional fee of \$ 7.50 will be added for credit card payment.

Typically the radon canisters can be placed with 1 to 2 days of scheduling and need to stay in place for a minimum of 48 hours although they may stay in place for up to 7 days.

Typically the results of the radon testing are available by telephone and/or email within 2 to 3 business days of retrieving the canisters.

Placement and/or retrieval of the of the radon test canisters is at the convenience of Newdan Engineering, LLC and/or Daniel Bruno Ferrari, P.E,

Daniel Bruno Ferrari, P.E. is also a "Radon Measurement Specialist" – (RMS) by the "National Radon Safety Board" – (NRSB) – Certificate Number : 3SS0041
